RECEIPT OF THE HIGHEST GCBL AWARD - THE CHAIRMAN'S AWARD

Dear Colleague Suresh,

The Global Chamber of Business Leaders has wonderfully talented and highly successful individuals whose commitment to the organisation is significantly noteworthy and we will always continue to salute all of them in both private and public forums.

It has been quite some time since we first met, dear Suresh, but your enthusiasm for the growth and development of GCBL remains unchanged. You have done a lot since your appointment until today. Thanks to You, we got quite a few great colleagues and friends, with whom we might otherwise never have been able to meet.

Thanks to Suresh, we outlined new projects and involved experts in them. 2022 was especially important for this.

Keep up the good work, Suresh. Congratulations on a well-deserved award!

Sincerely yours,

Dejan Štancer
CHAIRMAN
